Consumer Outreach

Describe consumer outreach efforts in the past 12 months: All customer service representatives and sales staff were trained to make sure customers understand differences in handset Hearing Aid Compatibility and options available.

Methodology for Functionality Levels

By offering low cost pre-paid service with few additional features, the company serves a particular low-end market niche. The customers purchasing this type of service are demanding inexpensive basic phones and are uninterested in paying for advanced features. As a result, all phones offered by the company are basic phones.

Report Remarks

Although the report shows 6 different phones that were offered during calendar year 2009, in order to keep phone costs down to serve the low end market niche, there were generally no more than 2 phones offered at any given time.
